

FREE

Hearing Screenings in Stockton!

A Commitment to Our Community's Hearing Health & Education

Lodi Sunrise Rotary Club and The University of the Pacific Hearing and Balance Center are teaming up to offer FREE hearing screenings to community members. Not only will these screenings be expertly conducted by UOP's distinguished faculty, but they will also provide invaluable hands-on experience to the next generation of UOP students.

Date:

Saturday, January 20, 2024

Time:

10 am–3 pm

Location:

University of the Pacific
Chan Health Science
Learning Center
757 Brookside Road
Stockton, CA 95211

Free parking available

Register here

Registration is highly recommended.

Who Should Come?

- Individuals aged 5 and up who cannot afford the cost of a hearing screening
- Those experiencing muffled sounds or difficulty following conversations
- Families wanting to ensure the hearing health of their loved ones
- Seniors with hearing concerns or difficulties
- Young adults exposed to loud music or noises regularly

Hearing Aid Assistance Program

After the screening, individuals with a significant degree of hearing loss and financial need, may qualify for our Hearing Aid Assistance Program. This initiative is designed to make hearing aids more accessible to those who need them most.

*Hearing screenings are free of charge. Registration is encouraged. If you have specific questions, please call UOP Stockton Hearing & Balance Center at (209) 946-7378.
